CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 945

Introduced by Committee on Agriculture (Galgiani (Chair), Tom Berryhill (Vice Chair), Conway, Fuller, Ma, Mendoza, and Yamada)

February 26, 2009

An act to amend ~~Section 24002~~ *Sections 24002 and 42815* of the Food and Agricultural Code, relating to ~~equine drugs~~ *the Secretary of Food and Agriculture*.

LEGISLATIVE COUNSEL'S DIGEST

AB 945, as amended, Committee on Agriculture. ~~Equine drugs.~~ *Secretary of Food and Agriculture regulation: equine drugs: fruits, nuts, and vegetables standards.*

Existing law prohibits, as specified, the showing of a horse at a public horse show, competition, or sale if the horse has been administered a prohibited substance. Existing law exempts from these provisions on the drugging of horses any individual horse show, competition, or sale that is certified by the Secretary of Food and Agriculture, with a 30-day written notice of a public hearing to the advisory committee, if the secretary determines that specified criteria are satisfied.

This bill would delete the exemption from the provisions on the drugging of horses applicable to any horse show, competition, or sale certified by the secretary.

Existing law generally creates standards for fruits, nuts, and vegetables. Existing law requires the Secretary of Food and Agriculture to create an industry-funded standardization program for the purpose of implementing these standards. Existing law requires the secretary

to adopt regulations that he or she determines are reasonably necessary to carry out this program, including, but not limited to, establishing assessment rates and procedures for payment of assessments. Existing law repeals the standardization program provisions on January 1, 2010.

This bill would extend the repeal date until January 1, 2015.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
